

RECONNECT[®]

Solutions for Probation

Helping Everyday Heroes[™] Create Better Societal Outcomes

As an Everyday Hero, your daily focus is to help your clients stay on track with their assigned program requirements and remain free from technical violations during probation. Reconnect makes managing redundant tasks more efficient, giving you the time you need to fully support your clients.

1.1M million possible technical violations prevented in 2023.

The Reconnect System

Engagement App & Platform

Case Management

Smartphone Leasing

Learning Lab LMS

Reconnect Case Management™

Why let growing caseloads limit your time with clients? Let Reconnect CM automate your data management and assessments as well as make it easy to fill out and submit forms. Spend more time checking in with clients to make sure they meet their court requirements.

Reconnect Engagement Platform™

Reconnect Engagement Platform can help you overcome daily challenges. Our easy-to-use, downloadable app boasts tools specifically for Probation. Automation provides improved efficiency, accountability, and increased communication. Set daily task, calendar events, and set automatic reminders to help clients stay on track.

Learning Lab LMS™

As a probation official, you understand the value of encouraging real behavioral change. Learning Lab LMS is a robust system that empowers you to set up required curricula, track progress, and provide valuable resources to help clients develop a better quality of life.

Reconnect Smartphone™

Need phones? We can help. Reconnect Smartphones operate like any other Android smartphone and the HIPAA-compliant Engagement App is conveniently pre-installed.
