

Helping Everyday Heroes™ Create Better Societal Outcomes

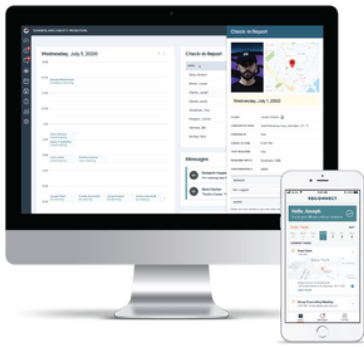

At Reconnect, our sole purpose is solving the challenges of Everyday Heroes like you who manage community-based programs, by elevating your ability to provide genuine connections, supportive accountability, and celebrate your clients as they progress through their programs. That's why we offer the **#1 engagement app and platform, case management system, smartphone leasing, and extended support learning management system** in the industry.

“*Reconnect has been a great partner in our daily struggle to keep connected to our clients. Reconnect was one of the best decisions we made.*”

--BW, Court Programs & Development Director

The Reconnect System

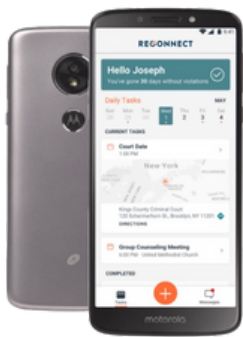

Reconnect Engagement Platform™

Reconnect Engagement Platform is a two-part platform that boasts features tailored to your needs and the needs of your clients. The easy-to-use app will improve client connection. The management tool will increase workflow efficiency so you will have more time to focus on your clients.

Reconnect Case Management™

Reconnect CM significantly reduces time-consuming busywork and offers out-of-the-box or custom integration options. Get started quickly and save time and money!

Reconnect Smartphone™

Need phones? We've got you covered. Reconnect Smartphones operate like any other Android smartphone and the HIPAA-compliant Engagement App is conveniently pre-installed.

Learning Lab LMS™

Inspire your clients with our powerful Learning Lab LMS which allows you to provide customizable treatment program education to foster positive behavioral change.

Ready to start creating better societal outcomes?
Contact us today and our team will show you how!
